About us

Founded in 2021 in Croatia, Pharma Herbs derived under the mindset of creating accessible and quality products that speak for themselves.

Pharma Herbs consists of a group of established professionals seeking to provide you with the best products and services. Our efforts are focused on creating relationships with our customers and other business that will last for decades to come.

We produce and distribute range of Organic Hemp products, Hemp food products and chamomile . Hemp food line including Hempseed oil, Hemp seeds, Hemp biomass, Hemp protein and Hemp tea. Quality of our products and satisfaction of our customers is our primary goal.

We offer our products in difrent packaging. Primarily we offer bulk products or packaging suited for your needs that you can sell under your own brand. Additionally we have Hemp food line of products under our own PHARMA-HERBS branding and packaging.
